

# RAISEup HAE: November RaiseRight Fundraising Contest

## What is RaiseRight?

RaiseRight is a gift card fundraising company. It supports non-profit organizations by providing gift cards. The retailers of the gift cards give a percentage back to registered organizations.

**RaiseRight:** Buy gift cards online to shop online or in-store! Shop for all the same stuff you normally buy anyway - groceries, fast food, home improvement, coffee and more!

**Huron Academic Endeavors:** Receives a portion of the proceeds from your RaiseRight purchase!

By buying gift cards through HAE's RaiseRight account, you could save time and effort.

Place an online order, with hundreds of retailers to choose from. Gift cards are purchased at face value, you receive the full value gift card. You instantly receive a serial code for the gift card to shop online and a bar code to use for in-store purchases!

**HAE receives a percentage back from the retail brand.**
