## Flames Gymnastics Runaround (And Jump and Play) Field Trip!

HAE students always have a great time at Flames Gymnastics for our annual field trip! We enjoyed the gigantic bounce house, slide and obstacle course, the trampolines, beams, foam pits and so much more! It was non-stop jumping, running and bouncing. We finished the morning with a much-needed snack and drink. Thanks Flames!

## HAE Celebrates Love with a Homemade Dessert Bar

Moms and dads helped make our Valentine's Day party a huge success with a delectable dessert bar! We

enjoyed a variety of treats, cookies, chocolate-covered strawberries and more! Students decorated their own mailboxes, and we passed out our Valentine's! We had to reschedule the party, but it was worth the wait!

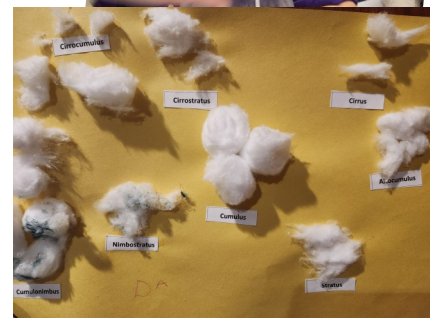

## HAE Does Weather Science (And Donuts!)

As we continued our Science and Donuts series, February was weather science! Ms. Ab-

by did a great job leading students as we studied clouds, made barometers, graphed hurricanes and tornados, made a tornado in a bottle, made our own clouds from rubbing alcohol in a bottle and even read books together! This student club is open to the entire public! Register for March's Science and Donuts [here](#).
